AGATA meravigliosa Griffon Bleu de Gascogne

dolcissima, buona e tranquilla

Taglia: Media | Età: nata a gennaio 2017

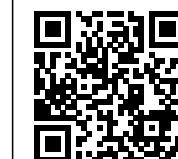

Agata è stata accalappiata con Bacco, un giovane segugio francese con cui condivide il box ed è facile immaginare quale sia la sua provenienza, abbandonata da qualche cacciatore perché non all'altezza delle aspettative, non serviva più.

Agata è bellissima, docile e affettuosa. Quando passiamo davanti al suo box si siede composta e ci guarda con quegli occhioni buoni e malinconici, soffre tanto la reclusione e vorremmo tanto vederla presto a casa.

Cerchiamo per lei una bellissima adozione, deve far parte della famiglia, essere amata e coccolata, fare passeggiate ed avere un posto in prima fila sul divano!

Agata è una taglia media, nata a gennaio 2017 e finita in canile a marzo 2022. Verrà affidata vaccinata, microchippata e sterilizzata. Si trova in un canile privato in provincia di Frosinone, adottabile al Centro e Nord Italia con visita preaffido, moduli adozione, disponibilità a mantenere i contatti ed al postaffido.
