Volvo Amazon Coupe Saloon USA style (1956-1970) bumpers by stainless steel

Volvo Amazon Coupe Saloon USA type bumpers new

(Volvo Amazon USA Type Stoßfänger)

One set includes:

1 front bumper in 3 parts, 1 rear bumper in 3 parts, 4 x over rider of front and rear bumper, towel bar for front and rear bumper, 2 x round tube for the front bumper, bolts and screw.

The Bumper is copied from the original in shape, size and is perfectly comparable to the original bumper.

The Bumper is made from 304 stainless steel (it never rust, even at different temperatures), 2mm thickness. After the bumper is finished, it is polished to a high gloss. It looks like chrome. The inside of the bumper is painted with many layers, making it smoother and more beautiful.

Please see a video below:
