Venice is a beautiful city known for winding canals, beautiful bridges, and amazing architecture. One of the most famous places in this enchanting city is St. Mark's Basilica. The St. Mark's Basilica is a cathedral with stunning architecture that is decorated with beautiful mosaics. Stroll through the cathedral and admire the mosaics designed mostly with gold in a period of more than 800 years. Explore the 5-domes and fall in love with historic artworks as you stroll through more than 500 columns in the basilica. What are you waiting for? Visit and explore this magnificent Basilica that has been standing for more than 1000 years!! Chiudi
