This luxurious chair has a modern, timeless design, so wherever you park, it will be noticed. Made of durable wood and covered with a quality fabric of the leather mixture, this cube-shaped chair is strong and comfortable, so you will use it for many years.

The high-quality fabric upholstery of a special leather mixture is especially soft and pleasant to the touch. The chair's sturdy chrome legs provide additional stability. It is especially pleasant to sit in it because of the comfortable armrests and the extremely elastic backrest pillow.

This stylish chair is also a great interior detail in any home or office. It will add simple elegance to your space. Chiudi
