With our garden fence, ensure an elegant fencing of your garden, home or track! Our decorative steel garden fence, 1.7 meters long, consists of 1 segment of the fence and 2 pillars. It will create a sturdy, safe and maintenance-free partition in your garden, home and commercial area.

Thanks to the vertical bars with spear tops and strong horizontal reinforcements for the frame, our garden fence will ensure a high level of privacy and security. Made of durable, powder coated steel, the outdoor fence is extremely stable, strong and durable. Thanks to the added materials for installation, the garden fence is easy to assemble.

Attention: To make the fence the size you want, you can purchase more outfits. Chiudi
