vidaXL Garden set with cushions, 21 parts, black, polyratane(SKU46430) (1.655 EUR)

This elegantly and uniquely designed garden dining furniture set made of polyratane will be an excellent choice for lunch and relaxation in your outdoor space.

Practical material: wrapped with PE wheel that is resistant to various weather conditions, this set of furniture for the outdoor dining room is easy to clean and durable, so it will allow you to enjoy a quality rest for many years.

Stable and solid comstruction: steel frames for the garden table and chairs give strength and stability. Customizable chairs: you can lean back the backrest and push the outdoor chairs under the table, yes, without using the set, preserving a lot of valuable space.

Comfortable: thick, soft, foam-stuffed seats and back cushions also provide additional seating comfort. Note:

In order for your outdoor furniture to serve for a long time, it is recommended to protect it with a waterproof cover. Chiudi
