Luogo **Puglia, Bari**
<https://www.annunci.it/x-166377-z>

Innovaformazione, scuola informatica specialistica, eroga formazione sulla tecnologia LIFERAY.

Liferay è una tecnologia per lo sviluppo portali web, scritto in Java e Open Source. Basato sull'architettura SOA (service-oriented) permette di sviluppare applicazioni 'portlet'. Liferay permette di gestire i contenuti con il suo CMS. Liferay viene usato come piattaforma di integrazione e di collaborazione mettendo insieme applicazioni già esistenti in un'unica interfaccia.

Liferay è attualmente utilizzato in tutto il mondo, sia da aziende private che da enti pubblici. Utilizzano Liferay realtà come Banca BPER, UBI Banca, Allianz assicurazioni, Vodafone, Genialloyd, Carrefour, Fujitsu, Airbus, NASA, HP, VMWare, Fineco e molti altri.

Corso rivolto a sviluppatori Java e JEE.
Lezioni con calendario personalizzabile, corso attivabile su richiesta.
