Guardate i suoi occhi e diteci con quale coraggio si può rimanere indifferenti ad un'anima pura e innocente come Dorian.

Dorian è un tenero e affettuoso cagnolino di taglia medio-piccola (circa 12 kg), di appena un anno e mezzo di età, finito in canile senza colpe. La sorellina è stata adottata ed adesso lui è solo in quella cella. Lì in canile, l'inesorabile scorrere del tempo sta spegnendo la sua allegria e la sua speranza.

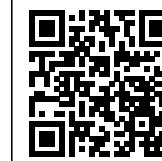

Facciamolo ricredere e dimostriamogli che la libertà e la felicità lo aspettano fuori da quelle sbarre!!
Dorian si affida già sverminato, sterilizzato, vaccinato e microchippato dopo controllo preaffido.
