

An aerial photograph of a rural farmstead. The main building is a large, single-story structure with a light-colored, possibly stone or plastered, exterior and a dark, gabled roof. It features several green-painted doors and windows. To the left of this main building is a smaller structure with a corrugated metal roof and two large, closed metal doors. The farm is surrounded by lush green fields and scattered trees, some of which have autumn-colored foliage. In the background, a line of trees separates the farm from a distant town or village under a cloudy sky.
