Valid for bookings from 13/03/2023 to 31/12/2023 and departures from 25/08/2023 to 31/12/2023* subject to availability of seats destined for the initiative.

- The discount is valid from the third day after the booking date and can be applied to a subsequent boat for all Moby lines: Sardinia, Corsica and Elba (except Santa Teresa Bonifazi-Santa Teresa) and for Tirrenia on the Naples-Palermo-Agropoli route, until 31-12-2023 with departure dates equal to or after the journey for which the discount was granted (for subsea/return tickets, the date of the return journey applies).
- *The discount voucher is also valid for the Tirrenia Civitavecchia-Oristano-Civitavecchia itinerary from 01-06-2023 to 30-09-2023 and the Genoa-Porto Torres-Genoa route from 01-08-2023 to 30-09-2023, subject to the availability of spaces allocated for the promotion on the designated days.
- The value of the discount voucher is calculated as the price of the first ticket purchased; it is not recalculated for subsequent amendments.
- The voucher can be used for tickets that are worth less or more than the voucher itself (after deduction of taxes, fees, insurance, meals and other costs); if the value of the new ticket is higher than the amount of the voucher, the difference must be paid. On the other hand, if the value of the new ticket is less than the amount of the voucher, the difference will not be refunded; no new voucher is created.
- If the ticket on the basis of which the discount voucher was issued is cancelled, the validity of the discount code will also automatically expire.
- No discount voucher will be generated for tickets issued with group fares, other reductions or special agreements or offers from other operators.
- The discount voucher can be combined with all MOBY and TIRRENA offers.
- The discount voucher can only be used to discount a new MOBY or TIRRENA ticket; not for amendments or activating "openair" tickets.
- The offer is not valid retroactively.
- The discount voucher cannot be converted into a cash refund under any circumstances.
- The discount voucher is interchangeable between the companies Moby and Tirrenia.
- The discount voucher is issued by name, but it is possible to pass it on to third parties by filling in the relevant form <https://www.mobyline.com/it/section/discount-voucher.asp?Tirrenia=Tirrenia>.
