Ciao, mi chiamo Emil e ho 21 anni. It's probably better if I switch to English because sadly this is the only Italian I can talk. I'm from Germany and France and studying Economics in Munich. Since the German food, and the German weather is so bad, I'm doing my Erasmus semester in beautiful Padova. So, I would be interested in renting a room in a shared flat from August 2023 to April 2024.

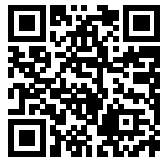

In my free time, I like hanging out with friends and going to Bars or clubs. Else I really enjoy playing tennis or spike ball in the park. Besides trying to learn Italian for the past year and always failing, I also love playing the violin. However, I promise I won't be too loud with my playing. My roommates here in Munich do not even hear me when I'm playing. So that's a good thing for everybody! :)

All in all, I already lived in a lot of shared flats, and I, therefore, have some experience of living together with other people. I'm very flexible with different kinds of living rules. I'm just looking to have a good time during my semester abroad and that is why I would be happy to find a nice shared flat.

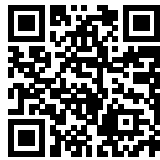

Happy to hear from you! Greetings Emil Chiudi
