

Pontoon boat, water tram ELETTRICO CON PANNELLI Escobart 625 Orion trade (41.0

Luogo **Lombardia, Milano**
<https://www.annunci.it/x-188330-z>

We are a manufacturer of houseboats, catamarans, pontoon boats and floating piers.

ESCOBART 625 - Wide functionality and adjustment to the needs of users makes it a unit intended for both family recreation, daytime cruises on lakes and rivers, as well as a place to organize social meetings that can last long after dusk. It is intended for individual and commercial use. It will enrich the offer of each entity dealing with tourist traffic. The use of the highest quality materials and compositional solutions makes Escobart 625 feel unique, and the time spent on it provides an unforgettable experience that will be remembered for a long time. A spacious deck, a corner sofa in the stern and comfortable seats in the bow provide convenience and comfort for 10 people on board. Attention to detail and thoughtful solutions meet all needs related to recreation and relaxation on the water.

Model "D" hull made of polyethylene or aluminum floats. The shape of the floats and the design ensure the self-supporting structure and high stability, which means comfort of use (no inclination) and safety, and the cross-section ensures high initial displacement and a very good weight to displacement ratio, which allows for use in shallow waters due to small draft. Carefully contoured beaks minimize frontal drag. The frame is made of aluminum profiles.

STANDARD EQUIPMENT:

- polyethylene floats (color to choose from)
- aluminum frame

FLOOR: synthetic teak (white or black stripe)

RAILINGS: stainless steel 304, fi 30

BATTERY: 1 X 120AH AGM / service

LIGHTING: - external navigation lights (red, green, white top)

SPEAKERS: 2 X 80W marine

CHARGER SOCKET + VICTRON 10A CHARGER

TRANSOM: adapted to the engine max. 70KM

SEATS: made of high quality materials (2 colors to choose from) for 10 people

MECHANICAL HEADLINE

WHEELHOUSE: gauges - fuel gauge, voltage gauge, steering wheel,

light switches NAV + horn, radio mp3, cigarette lighter / USB socket

ENTRANCE DOORS: 3 PIECES

MOORING Cleats 250 mm: 4 pieces

RUBBER FENDERS: left / right

TOW HOOKS: 2 PIECES

helmsman's seat: upholstered / adjustable

BEVERAGE HOLDERS: 5 pcs

ENTRANCE LADDER

TRANSPORT HOOKS: 4 pcs

TABLE: plastic / teak

RIGID ROOF: two 360W photovoltaic panels + inverter

- 4 solar panels 360W + inverter

- hardtop / blue LED backlight

SEATS: two colors to choose from Slilververtex + Diamante, one color in Caro, + logo

BATTERY: ePropulsion E175/48V/8960Wh,

ENGINE: ePropulsion NAVY 6kW EVO,

CHARGER: Eseries 30A/48V,

SHUTTER + CABLES,

The price is a net price.

Full VAT invoice.

Leasing available.

Possible transport for an additional fee.
