

Catamarano elettrico, Party Boat, Lakestar 835 Tourist Boat Oriontrade (167.000 EUR)

Luogo **Toscana, Firenze**
<https://www.annunci.it/x-188331-z>

We are a manufacturer of houseboats, catamarans, pontoon boats and floating piers.

LAKESTAR 835 ELECTRIC is an innovative catamaran powered exclusively by ELECTRIC drive with two 6kW Torqeedo or ePropulsion engines to choose from. A reliable electric drive combined with a set of 12 photovoltaic panels makes the unit virtually self-sufficient. It is characterized by wide functionality, high stability and adaptation to the needs of users. It can occur in any configuration of seats and tables. The catamaran is 100% environmentally friendly and allows us to sail in places marked with a QUIET ZONE. This allows you to fully enjoy the charms of nature. LAKESTAR 835 is intended for commercial use, both for the needs of family recreation, day cruises on lakes and rivers, as well as a place to organize social meetings. It will enrich the offer of each entity dealing with tourist traffic.

supporting structure and high stability. As a result - comfort of use (no heeling) and safety, and the cross-section ensures high initial displacement and a very good weight to displacement ratio, which allows for use in shallow waters due to small draft. Carefully contoured beaks minimize frontal drag. The frame is made of aluminum profiles.

WINDOWS AND DOORS

The front double-leaf, sliding door is made of double glazing in an aluminum frame. Side windows can be made of tinted plexiglass or plastic windows trimmed with Sunbrella material in a color of your choice.

BUILDING

The deck is made of 15 mm thick waterproof plywood. The walls and the roof are a light construction made entirely of composite panels with the possibility of filling the space with polyurethane foam.

EQUIPMENT:

- aluminum floats
- aluminum frame

FLOOR:

inner - synthetic teak (imitation)

external - terrace board / Siberian larch

BARRIERS:

stainless steel 304, fi 40, height 1.04 m

TRACTION BATTERIES:

6 X Lithium LFP E175 48V 8960Wh ePropulsion E-Series + 3 chargers

SERVICE BATTERIES:

2 X AGM 200AH + 30A Victron IP65 charger

ROOF:

12 x 405W photovoltaic panels + charge controller
