Hello ??????
My name is Shima
I have a Bachelor's in Clinical Psychology and a Master's in Neuroscience.
I have always had a passion for working with children.also I know music,painting,artistic craft
I'm fluent in English, currently learning Italian (at an A2 level)

Over the years, I have gained a lot of experience in babysitting, and I have several happy previous clients who are available to provide references
For me, building a strong connection with both the parents and the child is essential
I am willing to work out a contract with you so that we can establish clear expectations and ensure that everyone is happy and comfortable.

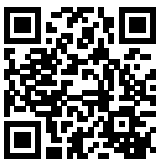

If you're interested in a friendly, reliable babysitter, feel free to message me. Looking forward to meeting you and your family!
