Questa splendida Ford Fiesta 1100 Ghia del 1978 conta appena 3 proprietari in 48 anni. Il contachilometri "mostra" 46.900 km.

Tenuta dal suo primo proprietario fino al 2008, che l'ha sempre curata e mantenuta in modo impeccabile, usandola solo per brevi tragitti in città, è stata poi acquistata dall'attuale proprietario collezionista di vetture storiche.

Meccanicamente si presenta in ottime condizioni e non necessita di alcun intervento, l'ultimo tagliando è stato effettuato di recente ed è pronta per essere messa su strada.

La carrozzeria mai restaurata, presenta ancora per il 90% della prima vernice di casa madre lucida e priva di ruggine.

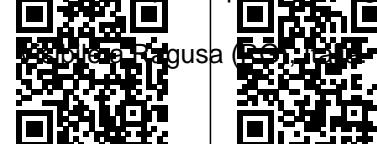

Presenti solo alcuni piccoli graffi da parcheggio. Parti cromate mai sostituite e ancora in buono stato come da foto.

Entrare nell'abitacolo è come rivivere gli anni 70. Tutto si presenta in ottime condizioni. I sedili non hanno strappi ne parti usurate, il cielo è perfetto come anche la moquette intonsa e le finiture del cruscotto perfette. Completa anche dei suoi dettagli e accessori dell'epoca.

Dotata ancora della trousse libri consegnati in fase di vendita tra cui quello di uso e manutenzione.

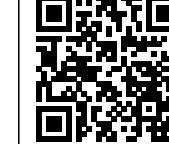

Documenti pronti per il passaggio di proprietà.
