Gemma, nella sua breve vita, ne ha già passate tante. Trovata nascosta in una grotta della Basilicata dove accudiva le sue due bellissime bimbe, era stata sicuramente messa incinta da un cane molto più grande di lei (vista la stazza delle cucciole). Tuttavia è riuscita a portare a termine la gravidanza senza problemi e a proteggere le sue piccole dai pericoli della strada; le ha cresciute, educate, svezzate finché le cucciole hanno raggiunto i tre mesi e sono state adottate da due meravigliose famiglie. Adesso vorremmo il lieto fine per Gemma, è già stato abbastanza straziante portarle via le sue cucciole (purtroppo non potevamo sperare in un'adozione tripla, soprattutto in questo periodo dell'anno), ma vedere una cagnolina così non trovare casa è un pugno al cuore. Gemma è buona, brava, silenziosa, dolcissima ma mai invadente, socievole e compatibile con il mondo. Ha 1 anno e mezzo, quindi è giovanissima ed è una taglia piccola (pesa sui 10 kg). Si trova in Toscana e NON viaggia in staffetta (quindi qualora qualcuno fosse interessato dovrebbe venire a prenderla qui). È sverminata, microchippata e vaccinata. Per info mandate un messaggio su WhatsApp e sarete ricontattati, purtroppo spesso non riesco a rispondere alle chiamate, grazie!
