Hello!

My name is Nadia. I am a Master of Linguistics. I have been teaching English for 6 years and am totally into it.

I use a communicative approach, various techniques and methods, websites and sources to provide you with high-quality English classes.

I have valuable experience of communication with native speakers, traveling and living abroad.

My portfolio also consists of international certificates: FCE, CAE, methodological webinar participation, Psycholinguistics.

Aside from English classes (individual and group ones) you will have access to my Online Speaking Club where we will discuss different aspects of life and have great meetings with natives/people who live abroad. You will also have an opportunity to make useful contacts and boost your knowledge.

Offers: General English, Business English, tailor-made course (e.g.

- English for IT
 - English for Sales and Purchasing
 - Banking and Finance English
 - Etiquette
- etc.)

I am looking forward to our meeting!
