Sono un fotografo professionale di 41 anni, ricevo in studio vicino Como. Cerco max 30enni di ambo i sessi per foto anche esplicite, rilasciando dichiarazione di non diffusione delle stesse, in cambio della possibilità di trarne spunti per quadri. Fornirò un weblink con file in HD elaborati in Photoshop per i vostri utilizzi. Non mi scandalizzo né salto addosso a nessuno, quindi vanno bene anche foto di autoerotismo o genitali ben esibiti. Il mio taglio non è, in ogni caso, volgare, per mia natura. Sono interessato a corpi magri/muscolosi per gli uomini e a tutte le forme femminili.

Non cerco sesso, sono molto professionale nei toni e so mettere a proprio agio le persone educate e pulite come me.

Se contattate vi prego di inviarmi un vostro profilo social, io ricambierò immediatamente con i miei canali dove esemplifico il mio lavoro.

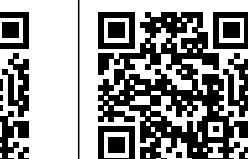

Non rispondo a email vaghe.
