

Terreno a Montelupone - Rif. 18144 (13.470 EUR)

Luogo

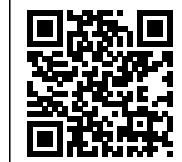

Marche, Montelupone

<https://www.annuncici.it/x-246111-z>

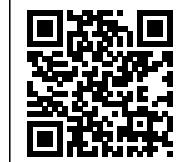

Questo immobile viene venduto tramite asta online. Terreno edificabile, sito in Montelupone (MC), località Aneto, via Enrico Fermi. Il terreno fa parte di una lottizzazione, inserita nel PRG vigente come area di espansione C2. Su quest'area sono state parzialmente eseguite opere di urbanizzazione primaria e, a tutt'oggi, sono stati realizzati cinque edifici ad uso residenziale. L'accesso al lotto avviene dalla strada comune identificata con la particella 479, che divide la lottizzazione in due zone: la prima a valle (dove sono stati realizzati quattro edifici) e la seconda leggermente "a monte" (dove è stato realizzato solo un edificio da completare). Il terreno è collocato nella parte piana della lottizzazione, in adiacenza ai lotti già edificati. Per maggiori dettagli consultare la documentazione allegata. Bene descritto in perizia come Punto B) - b) Superficie 1078 mq Piena proprietà di: Terreno edificabile (CT): Foglio 8 - Particella 476 Offerta minima: 13470 EURO. Prezzo base d'asta: 17950 EURO.
