

Pauls Model Art-Minichamps - Vettura Raro Lincoln Continental Presidential Car 1961

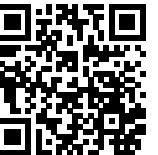

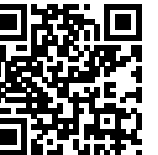

Luogo **Molise, Campobasso**
<https://www.annunci.it/x-253653-z>

Rare model in like new condition.
Designed for collectors, an accurate and well-built model.
It should definitely not be missing from your collection

The fourth generation of the Lincoln Continental was characterized by very sober taut lines and four doors with "closet" opening. The car became infamous for the attack on JFK in Dallas. The Continental IV remained in production from 1961 to 1969.
