English lessons from a sapienza student

Luogo Lazio, Roma https://www.annuncici.it/x-281236-z

I do my classes in an interactive way via Zoom. When I do my English lessons, I explain a topic first, and then we practice it together and do activities to improve speaking, listening, writing, and speech skills. In other words, the lesson is constantly progressing practically, and I encourage the students to talk and practice throughout the lesson. Chiudi
