

A vintage Sony stereo system is displayed on a light-colored tiled floor against a plain white wall. The central component is a large, dark wood-grain cabinet with its lid open, revealing a turntable and a cassette deck. The turntable has a clear dust cover. The front panel of the cabinet features a silver-colored metal plate with several knobs and buttons, including a prominent red emergency stop button. To the left and right of the central unit are two large, matching wood-grain speakers with a distinctive woven mesh grille. The Sony logo is visible on the front panel of the central unit.

L'equipaggiamento è visibile in funzione per una breve presentazione video ai seguenti links:
