Il complesso immobiliare oggetto di pignoramento è formato da una pluralità di edifici e terreni contigui che un tempo costituivano il podere agritouristico "Valli del Sole". Il terzo lotto descritto è situato nella parte ovest del complesso immobiliare dove sono autonomamente caratterizzati due ampi locali, rispettivamente accatastati a magazzini e locali di deposito. Il primo immobile, rappresentato dalla particella n. 110 è composto da vari locali con accessi a piano terra da collegamento esterno esclusivo, destinati a: bagno, deposito, magazzini con altezza variabile, oltre ampio spazio coperto da tettoia in legno ed un ulteriore ampia veranda coperta da tensostruttura.
