Longstanding professional experience in international companies and organisations in translation, proofreading, transcription, editing, and chuchotage from Italian to English and vice versa, where I've acquired particular knowledge of the following areas:

- contracting/legal (film production and related rights chain | export, joint ventures, letters of intent | notary deeds, sale, etc.);
- engineering - large civil installations (technical specifications, static-stability-hydraulic calculations, seismic investigations, geology, etc.);
- international | social affairs, humanitarian | large UN issues
- business and corporate documentation (brochures, tenders documents, deeds of incorporation, etc.).

Some experience also in FI/IT/EN combinations.
