

A silver Pioneer hi-fi stereo receiver, model SR-09, is shown from a front-facing perspective. The unit is resting on a light-colored, patterned tablecloth. In the background, the dark wooden back of a chair is visible. The receiver has a sleek, rectangular design with a silver finish. On the left side, there are three knobs for volume, balance, and tone, along with a power button. The center features a digital display showing '00.00' and several buttons for preset stations and other functions. On the right side, there is a large volume knob and a row of buttons for various inputs. The Pioneer logo is visible on the top left of the front panel.
