

Leica M10-P Black (4.040 EUR)

Very clean M10-P purchased from Leica DC in April 2022. Came with a Service Certificate, meaning Leica inspected it and everything worked as-new, so Leica gave the camera an extended two-year warranty (transferable to new buyer, expires 4/25/24). Only 10,712 shutter actuations when I bought it.

I used the camera moderately, had no issues. It had a few scuffs when I bought it (right side of thumb pad; above eyepiece) and I added no new ones. I used it with Leica M lenses, lovingly, never exposed to adverse conditions.

Includes a Match Technical Thumbs Up. Leica DC put a new Leica LCD screen protector on it (yet it's starting to peel on the top left). As shown in photo, includes all paperwork, strap, battery, charger and three cables (US, EU, car) plus the Leica black bags for each item. It did not include the outer silver box when I bought it, but has all the components of the inner black box (including gray inner box for camera body).

I found a deal on an M11 and committed, hence this sale. Chiudi
