I am an Italian native speaker and I'm offering Italian lessons, conversation, and tutoring (also via Skype if you want) for all levels, beginner, intermediate and advanced students.  
I will offer Italian lessons, whether you want to improve your spoken or written Italian, I can help you at a fair price on a per-hour basis and with easy online payments.

Lessons via Skype are the best way to plan and customize your lessons as you prefer and according to the best time of the day and from your home. I offer my first lesson for free.  
Do not hesitate to contact me for any info and we can discuss your customized course.
