with a fantastic patina -- all original -- original driver and tyres -- original decals -- original paint -- some minor age signs -- working steering wheels -- it was never played since all played toys were reduced in very bad shape -- it's very difficult and rare to find one with these conditions

dimensions: 31 cm. long -- 14 cm. large -- at the windscreen 8 cm. high -- a fantastic Ferrari vintage Toy

### Historic Note

Ingap was founded in Padova in 1919 -- in 1938 they had 600 workers -- it was one of the most

successful maker of various mechanical toys (airplanes, cars, motorbikes, generic toys) in this Country --  
 the first model in 1969 and the first fantasy toy model in 1972. They were sold in all European
