

Metal Burnishing Professional kit for precision mechanical workshops (1 EUR)

Luogo **Lombardia, Milano**
<https://www.annunci.it/x-358648-z>

Professional kit for cold burnishing of metals and carbon steels:

- 5 lt can of specific cleaner +
- 5 lt of conditioner +
- 5 lt of burnisher + protective.

In 3 simple steps a perfect homogeneous burnishing is obtained on the whole surface. No increase in the size of the treated pieces, blind holes or threads:

- 1) degrease with product n. 1
- 2) immerse or treat with conditioner, product no. 2
- 3) Brown by immersion or by brush, then rinse and dry.
- 4) pass the protective dewatering, let it dry for 10 minutes.

Suitable for precision mechanical workshops, repairers, machine tool fitters, etc. For technical information see brunitura.altervista.org. € + VAT. Chiudi
