Gentle Giant - Unburied Treasure - Special limited - Titoli vari - Cofanetto CD - 201920

Luogo Sicilia, Trapani https://www.annuncici.it/x-385816-z

Cannoot confirm if this is the 2019 or 2020 version , only with knowledge of envelope being on outside or inside before unsealed, but that is not known

Limited to 2000 copies globally. Due to high demand, an additional and final repress run of 1000 copies was added Gentle Giant - Unburied Treasure, which was similar to the first pressing and included the signed photograph, but on matte photographic paper in a white sealed envelope located outside of the box and not glossy paper and inside the box as seen in this initial release.

Each disc is housed in its own gatefold digisleeve, except the blu-ray which is in a digipak.

true rarity for prog rock lovers and gentle giant collectors

Incredible retrospective box set that contains everything, absolutely everything, but also much more, of what the English progressive band has released throughout their career. 29 CDs with the entire official discography plus an avalanche of unreleased songs, both in the studio and live. 12 CDs released throughout his career and 15 live albums, 7 already released, 8 unreleased. Plus two CDs with unreleased studio songs, outtakes etc. The box also contains photos signed by the band members: Derek Shulman, Ray Shulman, Gary Green, Kerry Minnear & John Weathers and other goodies for fans and collectors. Very limited edition.

the box set has only been opened, the CDs are new in their packaging, as are the posters, the signed photo and everything else contained in the box, practically new
