Nick Hazlewood - Newton & Compton Editori - collana I volti della Storia - 2001

Fino ai primi di maggio del 1830 la vita di Orundellico era trascorsa sempre uguale nel suo villaggio nella Terra del Fuoco. Ma un giorno, mentre era in mare con suo zio, una grossa barca incrociò la loro rotta. I fuegini offrirono a gran voce le loro merci. Tutto sembrava svolgersi normalmente: gli europei esaminavano il pesce e davano in cambio dei ciondoli.

Poi accadde qualcosa di inatteso. Orundellico venne prelevato dalla sua canoa e portato a bordo della barca straniera.

In quel momento il ragazzo varcò una frontiera invisibile. Cominciò a perdere la sua identità, le tradizioni, la lingua...

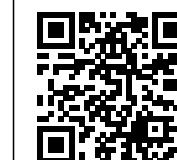

La vita avventurosa di Jemmy Button (Jemmy Bottone chiamato dall'oggetto che era stato pagato per il suo acquisto), l'indigeno che il Beagle portò a Londra dalla Terra del Fuoco e la cui amicizia con Darwin ebbe grande influenza su L'origine della specie.
