Offering to you a rare and very interesting 1/43 modelcar resin-cast Lot by:

Spark

ref. #S7435

Brabham Ford BDA BT38 F.2 3° Mallory Park - racing number #28 Carlos Reutemann

Bernie Ecclestone hired the argentinian driver for the 1972 F.1 and F.2 season -- Carlos "el Lole" was fourth in the European F.2 championship

excellent quality -- mint & boxed (still sealed) -- the price you see is the price I paid years ago ... and it was a "discount price" ...

pretty hard-to-find today

Note
the last photo of the real car ... not with this Lot ... Chiudi
