Dear Bidder
Please note, you are bidding on a customised Rolex watch. By definition, this is a Rolex watch with the addition of customised or aftermarket parts. Customisations can include modifications to the watch case, hands, or bezel (for example the addition of diamonds), or artwork and designs to the watch dial. In the case of watch dials, these can be either customised original dials, or aftermarket manufactured dials. These modifications are common within the luxury watch sector, particularly with Rolex watches. We ask sellers to mention any known modifications in the description. It should be noted that in certain circumstances Rolex could decline servicing or repairs to watches modified without their express permission.
