

A wide-angle photograph of a large, empty industrial warehouse. The space features a high ceiling with exposed concrete beams and several long, cylindrical fluorescent light fixtures hanging from the ceiling. The floor is made of polished concrete, showing some wear and discoloration. In the background, there is a glass-walled office or control room with a black frame. To the right, a large red and white striped barrier is visible, along with a white door. The overall atmosphere is industrial and spacious.
