Lei si chiama GRACE ed è una mix golden retriver, notoriamente uno tra i cani più buoni, equilibrati ed intelligenti.

Ha solo 6 mesi ed ha già conosciuto la cattiveria dell'uomo!!!

Si perchè è stata abbandonata legata davanti ad un canile e lasciata lì tutta la notte sotto la pioggia, esposta al pericolo di essere aggredita o peggio di morire di freddo.

Ma Questo batuffolo, meraviglioso, la tenerezza fatta peloso è stata più forte della cattiveria umana, e nonostante tutto dopo tre giorni di febbre alta ha reagito e deciso che avrebbe vissuto... e così è stato!!!

Ma abbiamo poco tempo x trovarle una casa e una famiglia che sia una vera famiglia, che la ami e protegga. Anzi dobbiamo cercare casa anche ai suoi fratelli, Miele e Ambra, che hanno conosciuto la stessa cattiveria umana
