CDE Club degli Editori 1987 1a edizione, cartonato pari al nuovo.

Volume di vignette umoristiche generiche e non seriali del papà di MAFALDA sul tema dell'amore, dell'unione di coppia e delle sue grottesche e spaventose degenerazioni, senza rinunciare all'irresistibile satira sociale senza parole ma sempre eloquente ed efficace. (F89) 15 Chiudi
