SPECIALE COMMERCIALE CASE ROSSE !Fare impresa...Il motore trainante di questo paese, molto spesso i sacrifici di tutta una vita si concentrano dentro quattro mura, percui la scelta della location dove far fiorire la propria azienda è fondamentale !Siamo proprio su Via Ortucchio, la Via principale del quartiere di Case Rosse, la costruzione è del 2006 ed è realizzata totalmente in mattoni di cortina, il locale è pavimentato interamente in granito ed ha una doppia entrata, una all'interno del condominio attraverso porta blindata, ed una lateralmente la palazzina attraverso serranda, in più abbiamo delle altre ampie finestre, che permetterebbero la creazione di più stanze da lavoro. La forma è perfettamente quadrata, con una doppia esposizione angolare ed infine troviamo la presenza di un bagno con anti bagno ed una canna fumaria.Tutte queste caratteristiche, crediamo rendano questa proposta estremamente interessante, unite al prezzo al quale l'immobile è proposto...Quindi che dire, questo locale non aspetta altro che i suoi nuovi proprietari !
