

A black Pioneer A-400 integrated amplifier is shown from a front-facing perspective. The device has a silver faceplate with the Pioneer logo and model number 'A-400' on the left. Below the logo are three horizontal buttons labeled 'FM', 'AM', and 'TUNING'. The center of the faceplate features three large, black, circular knobs for volume, tone, and balance. To the right of these knobs are several smaller buttons and switches, including 'FM/AM', 'TUNING', 'TONE', 'BALANCE', and 'PHONO'. The amplifier is resting on a light-colored, patterned surface, possibly a tablecloth. The background is dark and out of focus.

Stereo **Integrato**
