2021 Apple Watch SE

With the GPS model, you can answer calls and messages from the watch

Apple Watch SE has the same large Retina display as the Series 6 models, so you can see more at a glance.

It also has advanced sensors to track workouts and fitness goals, and powerful health and safety features.

With the Sleep app, it helps you create a routine for when it's time to go to bed and lets you know how you sleep.

You can receive phone calls, messages and listen to music directly on the watch.

He is ready to give you a lot, unless you think.

Large OLED Retina display

With Apple Watch, you measure how much you move every day, and check your progress in the Fitness app on the iPhone

You can record your every workout: running, walking, biking, yoga, swimming and dancing

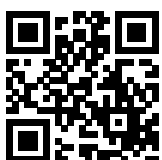

Notifications in case of too high or too low heart rate, or irregular rhythm

Pay for your purchases instantly and securely with Apple Pay

Apple Watch requires iPhone 6s or later with iOS 14 or later

Case, Strap, USB-C Magnetic Charging Cable (1m)

40mm – Fits 130-200mm wrists
