Collectors, science fiction fans, and movie will all go ape over this thorough and entertaining guide to the Planet of the Apes. A detailed listing of collectibles from the original film, the sequels, the television series, and the animated cartoon are all presented. Over 330 color photographs accompany the text. Values are provided for every item listed in the collector's guide. The author also provides a test of every fan's memory with his trivia challenge. Black and white stills from the original movie are found throughout

the quiz, adding to the enjoyment and, with a little luck, joggin the memories of all who see them. Finally a bibliography of Apes movies round out the presentation.

Christopher Sausville provides full information on how to care for your collectibles and how to sell them.
