Se sei un coltivatore diretto e stai cercando un luogo dove espandere la tua azienda o se sei semplicemente un privato con il pallino di trovare un posto dove trascorrere le belle giornate circondato dalla natura, questo è l'annuncio che esaudirà i tuoi progetti! A Cenate Sopra, in una delle più belle o forse la migliore posizione della provincia di Bergamo, più precisamente nella località Sant'Ambrogio, STUDIO CASA SERIATE e VETRINA IMMOBILIARE propongono lotto di terreno agricolo. Facilmente accessibile grazie alla strada di collegamento, la posizione del lotto è prettamente dominante su tutta la valle da cui è circondato. Baciato dal sole ha un'ottima esposizione che permette di essere ben illuminato per la maggior parte delle ore diurne. Per questo motivo si presenta ideale per varie coltivazioni e risulta facilmente lavorabile grazie ai vari terrazzamenti presenti dall'alto verso il basso. Tutto il terreno può essere recintato essendo stato realizzato recentemente un muro di contenimento stilato in pietra a confine con la strada di accesso. Un'opportunità che si presenta sia per coltivatori diretti oppure privati che intendano trascorrere le loro giornate all'insegna dell'agricoltura, a contatto diretto con la natura in un posto da favola.
