Diana , una gattina dalla corporatura minuta ma dal carattere da vera guerriera . Ha poco più di 2 anni , si dimostra una gattina molto intraprendente e curiosa . Lei sicuramente è la classica regina di casa , anche se convive benissimo con altri gatti e conosce i cani . Oltre ad essere bellissima , piccola e dai lineamenti armoniosi , ha anche un buon carattere con le persone con le quali le piace passare il tempo ad essere coccolata e venerata .. insomma proprio come una vera regina . Si trova in provincia di Latina nel Lazio, adottabile al centro e nord italia. Viene affidata previo colloquio di preaffido già sverminata, vaccinata e sterilizzata. Fiv e Felv negativa. L'appartamento deve essere in sicurezza . Chiudi
