Mina -  
Original letter with dedication written on headed paper.  
Also present is the original envelope with the artist's address.  
The letter with dedication is addressed to the son of a well-known stylist. The boy, an Inter fan, receives a medal commemorating the victory of a scudetto, donated by the then president of Inter Massimo Moratti, directly to the artist.  
This is the accompanying letter of this gift that the great Mina wrote in her own hand on her headed paper.  
For privacy reasons, Mina's address and the boy's surname are covered in the photographs, which are clearly legible.  
The lot is in excellent condition.  
Carefully view the photos which are an integral part of the description, to avoid unpleasant misunderstandings.
