PEGGY dolce e gioiale.

Taglia: medio contenuta

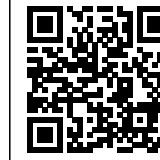

Quando è entrata in canile, PEGGY era un "brutto anatroccolo", avrà sofferto anche la fame durante il suo vagare tra l'indifferenza umana. Nonostante questa brutta esperienza PEGGY non ha perso la sua gioialità, è una canina socievole e dolce, abituata al contatto umano.

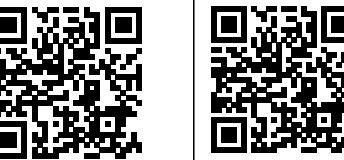

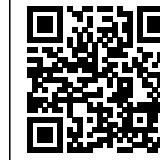

Speriamo che presto possa trovare una famiglia che si prenda cura di lei e la ami come merita.

PEGGY è una taglia medio contenuta, nata nell'agosto 2017, entrata in canile nello stesso mese del 2022. Verrà affidata vaccinata, microchippata e sterilizzata. Si trova in provincia di Frosinone, adottabile al centro e nord Italia con visita preaffido, moduli adozione, disponibilità a mantenere i contatti ed al postaffido.
