Vendo questa bella stampante Epson XP 452 ripulita in generale sia all esterno che all interno dalla polvere.

Vetro dello scanner smontato e ripulito sia sopra dentro che fuori dove si appoggiano i fogli,

Slot della micro sd funzionante.

Abbino anche un set di colori -1ciano- -1magenta- e -1giallo- oltre a -2neri-

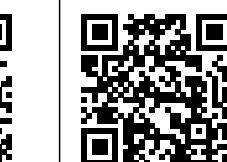

Funziona anche con cartucce compatibili indipendentemente da quello che dice la Epson.

Una raccomandazione che vorrei fare: attenersi sempre alle linee guida del foglio per cercare di avere sempre una stampa diritta e corretta il piu possibile. In caso contrario la stampante prenderà i fogli storti e la stampa uscirà fuori storta logicamente!

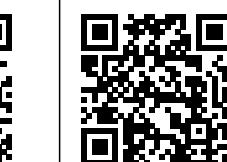

In caso di spedizione 10€ in piu.

Per qualsiasi altra domanda contattatemi pure in pvt.

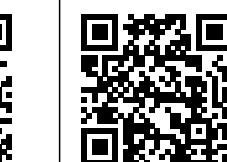

No perditempo.
