

Architetto amp Designer

We are Treddesign

ARCHITECTURE | DESIGN | VISUALIZATION

Treddesign is an architecture and design workspace whose main purpose is to enrich people's lives through the joint pursuit of beauty and meaning, synthesized into feasible and functional design. Through education, averaging the research and the use of complex parameters and digital technologies, teaching becomes innovative and contemporary solutions that reflect a sense of identity and create harmonious and balanced spaces for the people who inhabit them.

Luogo

Puglia, Lecce

<https://www.annunci.it/x-499663-z>
