Autentico massaggio TANTRA KASHMIRO non è un massaggio come siamo abituati a intenderlo,ma la più illuminante e trasformante meditazione di coppia della Tradizione Tantrica dello Shivaismo Cashmire del Nord dell'India. Una pratica di ascolto sottile del corpo,una di meditazione molto profonda che ha come finalità ascoltare il corpo del l'altro,adorandolo e trascendendone forma,genere identità. La comunicazione attraverso il tocco è molto più profonda e intima di quanto le parole possano essere. Toccare ed essere toccati è uno dei bisogni primari di qualunque essere umano.Non essere toccati affama le nostre anime,il nostro corpo e il nostro cuore si chiude. Sfortunatamente viviamo in una società dominata dal paura del tocco.Non venire troppo vicino è il nostro motto,ma se lo facciamo,di solito è connotato da intenzioni sessuali. Massaggio Kashmire comunicazione da cuore a cuore. Toccare profondamente significa comunicare senza alcuna intensione,attentamente e amabilmente,in totale presenza con altro e lasciando al partner sentire la nostra illimitata ammirazione per quello che è,il suo aspetto divino. Toccare profondamente significa non solo toccare la pelle e il corpo dell'altro,ma anche il suo cuore,il suo spirito e la parte più profonda del suo essere. Dalla Paura al Amore assoluto La pratica del Massaggio ha una durata di circa 1 ora Il Rituale si pratica sul fouton,in un ambiente accogliente e delicato Accompagnato da musiche meditative,olio caldo profumato,candelette,incenso Chiudi
