A few km from the small village of Sessame, surrounded by its 6 hectares of orchard, fields and woods, there is this large property entirely made of stone. The house has wide space and many possibilities: two spacious garages, a beautiful, cool stone cellar, a large barn, all of which can be converted into living space! In addition, from the first floor where the two bedrooms are located, there is access to the large covered terrace with a view over the entire valley: truly fantastic! The house dates back to the early 1900s and is made of stone. Where possible, it has retained the characteristics of the old farmhouse such as the terracotta floors! Here you can really enjoy peace and tranquillity Write us for more info ! Price negotiable!!! Chiudi
