record, mix, sync and go!  
studiodesk™ is a total solution for listening to your music. with its on-board ipod® dock and usb interface, studiodesk lets you record, mix, sync and take your music with you. studiodesk™ will even charge an ipod® while it's docked. and because you use usb to send your music digitally, you get extremely high quality audio from one convenient, incredible sounding set of desktop monitors.  
great monitoring performance  
studiodesk 3i offers the same professional monitoring performance found in all samson studio monitors, thanks to our use of custom-designed components and a critically damped, vented cabinet design. in addition to the functional aspects of its design, studiodesk is an elegant complement to any desktop, home studio or mixing room.
