

LOONEY TUNES BACK IN ACTION THE DELUXE EDITION varese sarabande (100 EUR)

Luogo **Toscana, Viareggio**
<https://www.annunci.it/x-527329-z>

Previously released by Varèse Sarabande at the time of the movie, this comprehensive 2CD set features not only Goldsmith's vastly expanded score, but rewrites and additional music by John Debney, Cameron Patrick and a handful of others—as well as alternates and outtakes by Goldsmith and the complete 2003 album program. Packaging features new liner notes by Daniel Schweiger (incorporating new interviews with Dante, Debney and Patrick) and Goldsmith's longtime friend and recording engineer, Bruce Botnick.
